

CLEARINGHOUSE POLICY

The North Dakota Prevention Resource Center (NDPRC), a function of the Division of Mental Health and Substance Abuse, maintains a Clearinghouse of alcohol and other drug information. We hold such formats as pamphlets, brochures, booklets, posters, bookmarkers and stickers. All materials are free to you and will be available in requested quantities.

It is the goal of the PRC to keep only up-to-date and message-appropriate materials on hand. Therefore, you may expect periodic changes by providing you with revised order forms as they become necessary.

PRC materials are carefully evaluated so as to provide a consistent "No-Use" message to persons under the age of 21 for alcohol and other drugs; AND, to provide a consistent "Low Risk Use" message for alcohol and a "No-Use" message for illicit drug use for all adults.

Prevention is an attitude that is catching on in the world of alcohol and other drugs; and, it is the message that the PRC strongly strives to foster.
